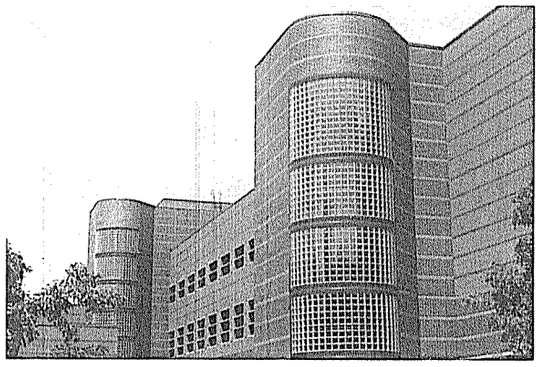
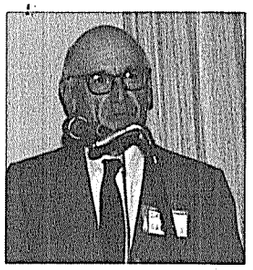
UPDATE
MECHANICAL ENGINEERING AND ENGINEERING SCIENCE AND MECHANICS
A PUBLICATION OF THE
DEPARTMENTS OF MECHANICAL ENGINEERING AND ENGINEERING SCIENCE AND MECHANICS
IOWA STATE UNIVERSITY • AMES, IOWA
MAY 1986

We Did It!!!

There were toasts and speeches, rain showers and flowers, tables with old time mechanical engineering equipment, tours and conversations. The MEs and the ESMs had a party!

On April 30, 1986, more than 300 people came from as far away as California and as near as the Engineering Annex to attend the dedication of the 105,000 square foot, $15 million building which came about because people like you knew it was needed and did what had to be done to make it happen.





In the evening, members of the Black-Hilstrom Club were treated to a champagne dinner hosted by Henry Black and Pete Hilstrom. We wish you all could have been in Ames to share in the camaraderie and feelings of accomplishment that having a new ME/ESM Building brought to us on a spring day in April. You, our alumni and friends, did this along with our faculty, administrators and the State of Iowa. We salute you all.

Jim Bernard
Chairman
Department of Mechanical Engineering

Harry Weiss
Chairman
Department of Engineering Science and Mechanics
