The screenshot shows the 'Schedule Appointment' page. At the top, there is a navigation bar with 'Service > Location & Staff > Select Time > Confirm'. Below this, the page title 'Schedule Appointment' is displayed. A form area contains two sections: 'Select Location, If drop down isn't showing up correctly, begin typing your major in search bar to find program/office.' with a dropdown menu showing 'ENGAerospace & Mechanical Engine...', and 'Select Staff Member' with a dropdown menu showing '... if Advisor'. At the bottom of the form area, there are 'Back' and 'Next' buttons.

Step 8: Click on a day that you would like to schedule an appointment and a box with available times will appear. Click on a time and then the Next button. If you want to see if there are Drop-In hours available, you can click on the "View Drop-in Times". If there are no drop-in times, it will be blank.

The screenshot shows the 'Schedule Appointment' page with a calendar view. The title is 'Schedule Appointment'. Below it, there is a navigation bar with 'Service > Location & Staff > Select Time > Confirm'. The main content area displays a calendar for 'Times From September 10 To September 14'. The calendar shows the following availability for each day:

Otherwise contact office/individual via email.' Below this box are two buttons: 'View Drop-in Times' and 'Request Appointment'. At the bottom of the page, there is a 'Back' button.

Please do NOT use this "Request Appointment" button. All available appointment times are already listed above.

The appointment system links with your Adviser's calendar, so all available appointment times will show.

Please note that the ME Advisers do not have "Drop-in Times".
