

ISU Mechanical Engineering Faculty, Staff and Student Employees COVID Heroes Award Nomination Process & Eligibility

The ISU ME Faculty, Staff and Student Employees COVID Heroes Awards will be given to recognize ISU Mechanical Engineering faculty, staff and student employees who have gone to extraordinary lengths during the pandemic to provide excellent education and/or service to our students, the ISU Mechanical Engineering community of faculty and staff, or to the broader community.

Eligibility. All ISU Mechanical Engineering faculty, staff and student employees are eligible.

Nomination process.

Nominations for ***faculty and staff*** can be made through the link below before **4:00 PM, April 9:**

https://iastate.qualtrics.com/jfe/form/SV_1NhduwfbsjkkB70

Nominations for ***student employees*** can be made through the link below before **4:00 PM, April 16:**

https://iastate.qualtrics.com/jfe/form/SV_1NhduwfbsjkkB70

Please submit the name of an ISU Mechanical Engineering faculty member, staff member or student employee, and a brief paragraph describing how your nominee either:

- Overcame obstacles or addressed challenges created by the pandemic related to teaching, research or service, or
- Provided service to the greater community to address COVID created needs in their role as an ISU employee.

Winners will be announced during the week of April 23, 2021, and awards will be presented (virtually) at the end of the Spring 2020 semester on April 28.
